### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Senior Center, Incorporated as of March 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Report on Summarized Comparative Information

We have previously audited the Senior Center, Incorporated's 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated July 20, 2015. **NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

A. Description and Purpose of Organization:

The Senior Center is a nonprofit organization which principally serves the population of those age 50 and over in the City of Charlottesville, the County of Albemarle, and the surrounding area. The purpose of the Organization is to positively impact its community by creating opportunities for healthy aging through social engagement, physical well-being, civic involvement, creativity, and lifelong learning.

B. Basis of Accounting:

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other assets/liabilities.

C. Concentrations of Credit Risk:

The Organization maintains its cash balances at one financial institution located in Virginia. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. At March 31, 2016, the Organization had uninsured cash balances in the amount of \$473,215.

D. Contributions:

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long these long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

The Organization maintains an endowment fund as a component of its unrestricted funds, where special or unanticipated gifts are contributed. The goal of the fund is to provide an adequate reserve and smooth flow of distributions to supplement the Organization's operating budget. Distribution guidelines permit withdrawals in an amount equal to 4% of the average of the fair market value of the fund on an annual basis.

### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

#### E. Financial Statement Presentation:

The Organization is required to report information regarding its financial position and activities according to three classes of net assets, based on the existence or absence of donor-imposed restrictions: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets: Net assets that are not subject to donor-imposed stipulations. At March 31, 2016, the Organization had \$3,734,201 in unrestricted net assets.

Temporarily restricted net assets: Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. At March 31, 2016, the Organization had \$1,299,119 in temporarily restricted net assets.

Permanently restricted net assets: Net assets subject to donor-imposed or other legal restrictions requiring that all principal be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned for either general or donor-specific purposes. At March 31, 2016, the Organization had no permanently restricted net assets.

#### F. Pledges Receivable:

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. The allowance for uncollectible pledges is estimated based upon historical collection rates and specific identification of uncollectible amounts. Unconditional pledges, net of the allowance of \$113,566, totaled \$359,893 at March 31, 2016. Of this amount, \$177,329 is due from members of the board of directors and the executive director. \$255,411 is expected to be collected within one year and \$104,482 is expected to be collected within one to five years.

As of March 31, 2016, the Organization had received four conditional pledges, totaling \$410,000. These conditional pledges will not be recognized as an asset or revenue until the conditions are substantially met.

#### G. Cash and Cash Equivalents:

Cash and cash equivalents consist of all cash, certificates of deposit and highly liquid investments with original maturities of three months or less from the date of acquisition.

### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

#### H. Investments:

Investments are carried at fair market or appraised value and consist primarily of equities in mutual funds managed by Mutual of America. Realized and unrealized gains and losses are reflected in the statement of activities. The following is a summary of investments at market value at March 31, 2016:

	<u>Mutual of America</u>
Bond Funds	\$ 3,560
Equity Funds	8,942
Money Market	<u>5,173</u>
Total	<u>\$ 17,675</u>

#### I. Property, Furniture and Equipment:

The threshold for capitalization is \$500. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which are summarized below:

Furniture, fixtures and equipment	5-10 Years
Building	40 Years

Depreciation expense totaled \$69,205 for 2016.

#### J. Contributed Services:

A substantial number of unpaid volunteers have made significant contributions of their time to develop the Organization's program services and administrative functions. The value of this contributed time is reflected in these statements as in-kind revenues and expenses for the year ended March 31, 2016. In addition, many individuals volunteer their time and perform a variety of tasks that are vital to the Organization but do not meet the criteria for financial statement recognition.

#### K. Rental Income:

Rental income is generated from the lease of certain areas of the Organization's facilities to individuals, private companies and other organizations on a one-time or short-term basis.

#### L. Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### **NOTE 7 - BENEFICIAL INTEREST IN AGENCY FUND HELD BY THIRD PARTY:**

The assets of the fund are included in the statement of financial position of the Senior Center as a beneficial interest in agency fund held by third party. ### NOTE 9 - BOARD-DESIGNATED ENDOWMENT:

The Senior Center's endowment consists of an individual fund, the Elizabeth A. Seabrook Endowment, established for a variety of purposes. Its endowment is made up solely of funds designated by the Board of Directors to function as endowments. As required by Generally Accepted Accounting Principles, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. As stated in Note 1(D), the Senior Center had no donor-imposed restrictions on its fund, thereby resulting in its having no permanently restricted net assets.

#### Return Objectives and Risk Parameters:

The Senior Center has adopted investment and spending policies, approved by the Board of Directors, that are intended to provide for reasonable long-term capital growth, while mitigating undue risk to the principal. The policies cover its endowment assets, including those assets that are board-designated funds.

#### Strategies Employed for Achieving Objectives:

To satisfy its long-term rate-of-return objectives, the Senior Center relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

#### Spending Policy and How the Investment Objectives Relate to Spending Policy:

The Senior Center has a spending policy based on the total return concept that governs the rate at which funds are transferred from the Endowment Fund to the operating budget. The spending policy permits withdrawals in an amount equal to 4% of the average of the fair value of the fund.

### NOTE 10 - FAIR VALUE MEASUREMENTS:

Fair value for investments is determined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The three-level fair value hierarchy prioritizes the inputs used to measure fair value. This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

- Level 1 – Quoted prices in active markets for identical assets or liabilities.
- Level 2 – Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.
